OFFICE OF THE PROVOST Q.C.

Dr. Gizis:

Enclosed is a copy of the signed articulation agreement between Queensborough Community College and Queens College for transfer from an A.A. degree program in business administration to a B.B.A. degree program in accounting and marketing.

Thank you for your efforts in making this wonderful opportunity available to Queensborough students.

We look forward to a smooth transition for business students from our institution to yours.

Sincerely,

A handwritten signature in black ink, appearing to read 'A. Corradetti', written over a large, faint circular stamp.

**The City University of New York
Articulation Agreement Initiated by Queens College**

Senior College Department: Economics
Program: Business Administration
Degree: B.B.A.

Community College Articulation Partner: Queensborough College
Department: Business
Program: Accounting and Marketing
Degree: A.S.

Effective Semester of Agreement: September 2003

Admission Requirements for Senior College Program:

Based on existing CUNY regulations between senior and community colleges, students will be admitted to QC upon successful graduation from QCC. If they have satisfactorily completed the 60 credits (see next page) required at QCC, students are assured of uninterrupted, articulated matriculation to QC, leading to the BBA in Business Administration. QCC students will be subject to the same academic standards as QC students while at QCC. For example, a minimum grade of B- must be earned in Economics 101 and 102, and Accounting 101 and 102 in order to apply to the major, and a B- average is required in all business courses. A minimum grade of C- must be earned in all business courses. Additionally, no required or elective courses in the undergraduate business major may be taken on a pass/no credit basis.

Total transfer credits granted towards the baccalaureate degree: 60

Total additional credits required at the senior college to complete baccalaureate degree: 60

NOTES:

* Depends on whether SS 211 and/or 212 was taken at QCC.

** Corporation Finance and International Business Tracks require writing intensive course, so no additional courses need to be taken.

Procedures for Reviewing, Updating, Modifying or Terminating Agreement:

The agreement will be assigned to the Deputy Chair for oversight and periodic review. The Deputy Chair will meet with the Chair of Business at QCC as necessary. Depending on the degree of success of QCC transfers, as noted below, the agreement will evolve to meet their educational needs. We do not anticipate that the agreement would ever be terminated. The QC economics department has had a long and successful relationship with QCC, and we anticipate a growth in that relationship with the introduction of the major in business administration.

10/14/2002

Procedures for Evaluating Agreement:

Upon graduation from QCC and admittance into QC, each participant in the program (like all business administration majors) will be assigned a faculty advisor who will ease the transition from QCC to QC and provide ongoing guidance until the successful completion of the BBA. Each faculty advisor will compile performance data on his or her advisees. An assessment, based on the facts, will then be made of the program's strengths and weaknesses, and recommendations for any needed changes will be made.

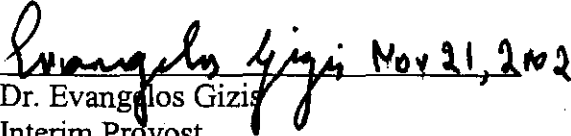

Procedures for Publicizing Agreement:

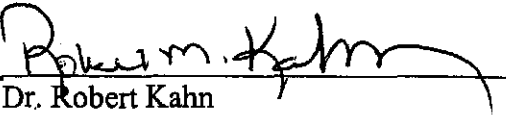

The program will be described in the QCC catalogue, and QCC faculty will advise students of the many benefits of the articulation agreement including:

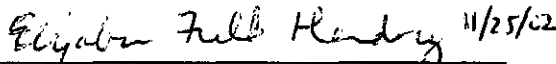

1. A strong academic program with no loss of credits or repetition of courses upon transfer to QC;
2. An ongoing advisement program whereby students are assigned a specific counselor at QCC to ensure that students progress satisfactorily through, and in full compliance with, the requirements of the program.

QC will contact QCC students via email to acquaint them with this program, and will advertise it on the economics department website.
