

ARTICULATION AGREEMENT BETWEEN

CUNY QUEENSBOROUGH COMMUNITY COLLEGE AND
QUEENS COLLEGE

A. SENDING AND RECEIVING INSTITUTIONS

Sending College: **CUNY Queensborough Community College**

Department: Biological Sciences and Geology

Programs: Biotechnology Degree: A.S., Biotechnology

Receiving College: **Queens College of the City University of New York**

Departments: Biology

Programs: Biology Degree: BA, Biology

B. ADMISSION REQUIREMENTS FOR SENIOR COLLEGE PROGRAM

(e.g., minimum GPA, audition/portfolio):

Associate of Science (AS) Degree holders from CUNY institutions are exempt from all Required Core, Flexible Core, and the third and fourth College Option (Science and Additional College Core) general education requirements at Queens College. To earn a Bachelor's Degree at Queens College, CUNY Associate Degree holders need to:

- complete at minimum 50% of the courses required for the major/minor in residence
- complete two College Option requirements (1 Literature and 1 Language) in residence
- two writing intensive units, one of which must be completed in residence
- other elective courses, if needed.

Determination of the 30 Liberal Arts credits required for the baccalaureate degree in accordance with New York State Education Department requirements will be made by Queens College.

Queensborough Community College graduates with the Associate Degree in Associate of Science in Biotechnology will receive 60* credits toward the Bachelor of Art degree in Biology at Queens College. In addition, they will be deemed to have met all Required Core, Flexible Core, and the third and fourth College Options (Science and Additional College Core) general education requirements at Queens College.

Total transfer credits granted toward the baccalaureate degree: 60.¹

Total additional credits required at the senior college to complete baccalaureate degree: 60.

¹ QCC Biology courses require C- as the passing grade for A.S. in Biotechnology.

C. Articulation Agreement Follow-Up Procedures

1. Procedures for reviewing, up-dating, modifying or terminating agreement:

This agreement will be reviewed annually by department chairs at both Queensborough Community College and Queens College and all relevant changes will be made as an amendment to this agreement. This agreement may be terminated at any time by either party.

2. Procedures for evaluating agreement, e.g. tracking the number of students who transfer under the articulation agreement and their success:

Queens College will inform Queensborough Community College about the academic progress of transfer students.

3. Sending and receiving college procedures for publicizing agreement, e.g. college catalogs, transfer advisers, Websites, etc.:

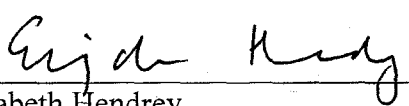

Notice of articulation will be placed in the respective catalogues, recruiting brochures, and websites. Respective transfer and academic advisors will be informed and provided with copies of this agreement. The Queens College Enrollment Management division will attend recruiting events on-campus at Queensborough Community College regularly.

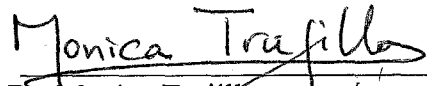

D. Additional Information

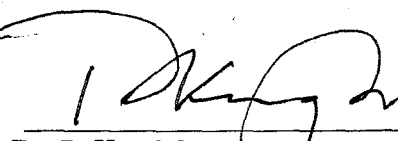

This agreement is deemed to be consistent with the CUNY Pathways general education curriculum, and will be updated whenever necessary in keeping with changes in the Pathways curriculum.

Effective Date: -

Dr. Paul Marchese
Provost and Vice President for Academic Affairs
Queensborough Community College

Dr. Elizabeth Hendrey
~~Acting~~ Provost and ~~Senior~~ Vice President
for Academic Affairs
Queens College

Dr. Monica Trujillo
Chair, Department of Biological Sciences
and Geology
Queensborough Community College

Dr. PoKay Ma
Chair, Department of Biology
Queens College

PATHWAYS – A.S., Biotechnology at Queensborough Community College, to BA to B.A. in Biology at Queens College

<i>Course-to-Course Equivalencies and Transfer Credit Awarded</i>				
Common Core, Queensborough Community College	credits	Common Core, Queens College		credits
Required Core: I. A: English Composition I, II (EN 101 & 102)	6	ENG 110, ENG 130	I. A	3/3
